

The role of investors in achieving net zero

Fiona Reynolds, CEO, Principles for Responsible Investment

The PRI

Investor-led, supported by the United Nations since 2006

- 1** We will incorporate ESG issues into investment analysis and decision-making processes.
- 2** We will be active owners and incorporate ESG issues into our ownership policies and practices.
- 3** We will seek appropriate disclosure on ESG issues by the entities in which we invest.
- 4** We will promote acceptance and implementation of the Principles within the investment industry.
- 5** We will work together to enhance our effectiveness in implementing the Principles.
- 6** We will each report on our activities and progress towards implementing the Principles.

Policy and advocacy

A seven-part framework for action: reinforcing the link between investors and policy makers to deliver on climate and human rights goals

Align your policy engagement and investment objectives

Work to policy makers' timetables

Leverage arguments based on technical expertise.

Engage at all levels of the policy process and through the media.

Work together, especially where there is consensus.

Better understand the dynamics of policy decision-making across committees and groups.

Be clear about who you represent and how policies impact your investor base.
