

Yasunori Kikuchi

Position/Department/Division/Institution/Organization

Associate Professor, Integrated Research System for Sustainability Science, The University of Tokyo;
Director, Presidential Endowed Chair for “Platinum Society”, Organization for Interdisciplinary
Research Project, the University of Tokyo

Country

Japan

Career history

- 2018.4 - Associate Professor at Integrated Research System for Sustainability Science, The University of Tokyo Institutes for Advanced Study and Director, Presidential Endowed Chair for “Platinum Society”, Organization for Interdisciplinary Research Project, the University of Tokyo
- 2015.10-2018.3 Project Associate Professor at Presidential Endowed Chair for "Platinum Society", Organization for Interdisciplinary Research Project, the University of Tokyo
- 2012.4-2015.9 Project Lecturer at Presidential Endowed Chair for "Platinum Society", Organization for Interdisciplinary Research Project, the University of Tokyo
- 2009.4-2012.3 Assistant Professor at Department of Chemical System Engineering, the University of Tokyo
- 2011.7-2011.9 Swiss Federal Institute of Technology Zurich • Academic Guest
- 2006.4-2009.3 Research Fellow (DC1) at Japan Society for the Promotion of Science

Awards/Publications

- 2018.3 The ILCAJ Award for Outstanding Young Researcher Winner
- 2016.3 The SCEJ Award for Outstanding Young Researcher Winner
- 2006.3 Dean of the School of Engineering, the University of Tokyo Award

Areas of expertise

His research fields are the Process Systems Engineering, Life Cycle Engineering, Environmental Analysis, Energy Technology Assessment, and Knowledge Structuring. He tackles with the technology implementation of decentralized energy systems through multiple systematic assessment including life cycle assessment, material flow analysis, and input-output analysis.
