

Session Title: Inclusive Action towards a Net-zero Emissions Future

Name: Sarah Chandler

Position: Senior director of Operations Product Development and Environmental Initiatives, Apple Inc.

Apple's industry-leading innovation extends to how the company addresses its environmental impact - both within its own operations and throughout its global supply chain. This session will highlight Apple's impactful work to address climate change through energy efficiency and the use of renewable energy, conserve precious resources, and pioneer the use of safer materials in its products and processes.
