

# Titoy Francisco

## **Position/Department/Division/Institution/Organization**

Executive Vice President, General Manager, Technical, Coca Cola (Japan) Company, Ltd

## **Country**

Japan

## **Career history**

Titoy Francisco holds a B.Sc. degree in Mechanical Engineering, *cum laude*, from the University of the Philippines, Diliman.

Since 2004, he has led the Technical & Supply Chain function in various Coca-Cola Business Units across Asia-Pacific: Philippines, ASEAN, Asia-Pacific Group, and Japan.

He has been with Coca-Cola (Japan) Company, Ltd since 2015, and has led the progress of our Environmental Sustainability efforts in the areas of water replenish, packaging sustainability, carbon reduction, and sustainable agriculture. He also led the establishment of the vision and framework of World Without Waste for Coca-Cola Japan, in line with our global World Without Waste vision.

Prior to his experience with The Coca-Cola Company, Titoy had extensive experience in Manufacturing and Supply Chain Leadership for various high profile FMCG Companies across Southeast Asia. Among them are Kraft Foods Southeast Asia, Jollibee Foods Corporation, PepsiCo, and Unilever.
